

Boss BHT4 Programming Guide

Genuine BHT4

Auto Openers BHT4

Radio Set Button For Boss BOL4

Programming Your Remote Control

- 1 Press either the Radio Set Button (Panel Lift / Sectional Door Openers) or the Learn Button (Roller Door Openers)
- 2 Push the button on your remote control that you wish to open the door with
- 3 Test the operation of your new remote

Clearing The Codes From Your Motor

- 1 For overhead openers, hold down the Radio Set button for 5 seconds
- 2 For roller openers, turn power off to the motor and hold down the Learn button.
- 3 Whilst still holding the button down, turn power back onto the unit and continue to hold for 10 seconds.
- 4 Test your remote to make sure it no longer operates your motor
- Please note, this will clear every remote programmed into the motor

For technical support, see our website below.
Please have the model number of your remote control and garage / gate opener before calling.
