

Merlin "C" Series Programming Guide

Genuine C945

Auto Openers C945

*Learn Button For Merlin MT800
Located Under Light Cover*

Programming Your Remote Control

- 1 Press and hold the desired transmitter button
- 2 Press the orange (Found on roller door openers) or Purple (Found on panel / sectional openers) Learn button
- 3 Let go of the desired transmitter button
- 4 Test the operation of your new remote

Clearing The Codes From Your Motor

- 1 Press and hold the Learn button for 10 seconds, or until the LED goes out
- 2 Test that your remote no longer operates the motor
 - Please note, this will clear every remote programmed into the motor

For technical support, see our website below.
Please have the model number of your remote control and garage / gate opener before calling.
